

ONE PARTNER. EVERY TRADE.

Licensed. Insured. Bonded.

Chrome Construction Group coordinates construction, roofing, painting, plumbing, HVAC, and electrical under one prime contract. Based in Richardson, Texas, we serve commercial properties and government facilities across Texas, Oklahoma, Louisiana, and Georgia.

CORE COMPETENCIES

GENERAL CONSTRUCTION

Ground-up builds, remodels, tenant improvements, and phased renovations; permitting, scheduling, and on-site supervision.

ROOFING

Flat and low-slope roofing; TPO, modified bitumen, and standing-seam metal systems; repairs and full replacements.

PAINTING

Interior and exterior commercial painting, surface preparation, specialty coatings, and maintenance programs.

PLUMBING

New construction, remodels, and service; rough-in, fixtures, water service, backflow prevention, and medical gas.

HVAC

Heating, cooling, and ventilation design, installation, and preventive maintenance; rooftop units through chiller plants.

ELECTRICAL

Service upgrades, panels, lighting, low-voltage rough-in, and controls; licensed installation and inspection coordination.

DIFFERENTIATORS

One prime contractor. Six coordinated trades, one project manager, and one schedule. Self-performed work and vetted subcontractors. Procurement-ready delivery. Prevailing wage and certified payroll experience; access, phased work, inspections, and closeout planned from the start.

SELECTED PAST PERFORMANCE

Marsalis Elementary School \$580,000 | May 23, 2025

Installed new rooftop units and chiller air handler systems.

Apple Store, Fort Worth \$170,000 | April 11, 2025

Plumbing installation for a new commercial retail facility.

Trenton High School \$2,800,000 | March 8, 2024

Full plumbing installation for a new 115,000 sq. ft. high school.
